# What is CCC?

CCC provides a private, external wellbeing space for employees working in fast-paced UAE environments. It is confidential, culturally aware, neurodiverse-inclusive and offers a gentle, low-pressure space where people can reset, speak openly, and feel supported, without stigma and without needing to be on camera.

# What Is Included

- 12 hours per month of 1:1 employee support
- Camera-optional sessions
- Rotating access for different employees
- Simple onboarding process
- Same coach for consistency
- Quarterly insights for employers
- External, neutral space - not HR.

# Why Companies Choose CCC

- Supports retention in high-pressure roles
- Reduces overwhelm before escalation
- Offers employees a safe alternative to internal HR
- Helps expats with transition, isolation and workload pressure
- Aligns with UAE wellbeing, productivity and people-care goals
- Protects organisational reputation through early support

# How CCC Works

1. Alignment Call
2. Onboarding
3. Rotating monthly usage (12 hours)
4. Private sessions (audio, camera-optional)
5. Quarterly employer snapshot reports
6. Pilot review & renewal
